Got - ta be a part of your soul and of your heart all the time.
 You be - long to me, that's the way it has to be, wrong or right.

Got - ta be a part of your soul and of your heart all the time, of your heart
 You be - long to me, that's the way it has to be, wrong or right, has to be,

Got - ta be a par of your soul and of your heart
 You be - long to me, that's the way it has to be,

Got - ta be a par of your soul and of your heart
 You be long to me, that's the way it has to be,
